MINUTE ENTRY

On February 27, 2015, Petitioner filed a *Petition to Modify Legal Decision Making (custody), Parenting Time and Child Support* ("Petition"). In an order entered on May 20, 2015, the assigned trial judge (Honorable George Foster) declined to rule on the issue of child support, citing a lack of evidence. But instead of dismissing that portion of the Petition, Judge Foster granted the parties an opportunity to request an evidentiary hearing to determine whether to grant that portion of Petitioner's Petition that requested modification of the existing child support order.

Subsequently a conference and hearing on the child support portion of the Petition were scheduled on June 25, 2015 in this Division. At the same time, the Court notes that child support enforcement proceedings are scheduled for Accountability Court on July 22, 2015. On June 15, 2015, Petitioner filed and served a *Request to Cancel/Dismiss Hearing on 06/25/2015* ("Motion") on account of the July 22, 2015 Accountability Court hearing.
